Honorable Alan Cranston
United States Senate
Washington, D.C. 20510

Dear Senator Cranston:

As I promised you in my letter of 27 February, a thorough search has been made to determine whether CIA has any photographs of the Luxor area which might assist Mr. John Rutherford in the performance of his Theban Royal Tomb Project. This search has been completed and I am informed that we have no photography of the Luxor area.

I am sorry that we cannot be more helpful to you and Mr. Rutherford in the pursuit of this eminently worthy project.

Yours sincerely,
